Players are required to wear masks when arriving, congregated around the bench area, and leaving the field of play. **Players are not required to wear masks while playing.**

Dogs are not permitted in the facility, unless the dog is recognized as a service animal defined under the ADA

Alcohol and tobacco products of any kind are strictly prohibited (includes vaping).

Physical or verbal abuse of any kind will not be tolerated. This event is for the children of our soccer community. We will address any negativity towards a referee, player, coach or spectator with appropriate action

In this time of health and safety concerns, we all must work together to ensure we are providing a safe environment for **all** who love the game. All must recognize the risk involved and are responsible for making their own decisions to attend this event. The New Hampshire Soccer Association and the New Hampshire Soccer League will work to provide the safest environment we can and look forward to seeing all those comfortable with attending the event this weekend.
