NHSA hosted

USSF National 'D' License

2021 NHSA hosted USSF National D License will be a blended curriculum (*on-line videos, virtual meetings and an in-person field session*).

The course will have weekly virtual meetings and assignments over 13 weeks. The course will start the first week of April and concluding on Saturday, June 26, with an in-person field session.

Registration for the 2021 NHSA hosted USSF D License will open in mid-February.
