**COST:** \$760 per team

#### **ADDITIONAL DETAILS:**

- Teams will play in a round-robin or group-based format depending on # of teams per age group
  - o Age groups with 3-5 total teams registered will play round robin, no additional final
  - o Age groups with two sub-divisions will have a final only
  - o Age groups with three or more sub-divisions will have a semi-final and a final
- Each game will have a minimum of three referees
- Upon registration, you will be asked to check (your preference to) one of the following:
  - o Continue to the National Championship Series (upon winning)
  - o Continue to the National Presidents Cup (upon winning)
  - o Do not wish to go to a regional tournament
- All teams must also be playing in a qualifying league
- If less than three teams register for a specific age group, the bracket will not be formed. In this event, a team may request a bid to one of the regional tournaments\*

\*Additional fees may be applicable for a team requesting to go directly to a regional tournament without in-state tournament play.
