

Auburn Soccer Club, Wayne Eddows field, 25 Priscilla Lane, Auburn, NH 03032

- Please adhere to all signs. NO PETS ALLOWED, NO EXCEPTIONS
- No tailgating or congregating in the parking area. Parking space is limited so please clear the space as soon as practical.
- Please have all players and spectators sanitize hands prior to entering the fields.
- Trash barrels are located around the facility, please do not leave any trash on the fields.
- Temperatures and health checks are requested to be completed prior to arriving to the fields in accordance with NHTSA guidance.
- All spectators are expected to observe good distancing and the league COVID safety precautions.
- Spectators who will not adhere to the park rules, or exhibit physical or verbal abuse towards players, referees, coaches, or other spectators will be asked to leave by the Auburn coach or field marshal. Game play will be suspended until the offending parties have moved to their vehicle.

Wayne Eddows field will host two 7v7 fields, one 9v9 field, and one 11v11 field for spring 2021. The 7v7 Large field is located at the north end of the large pitch. 7v7 Small at the South end. Spectators for these fields will be in the middle of the field. Please allow spacing of at least 10' from the sideline.

The 9v9 and 11v11 fields will be lined in Yellow or Blue in the center of the pitch. Spectators are on the playground/walkway side and need to be located a minimum of 10 feet back from the sidelines to provide space for players and referees.

Port-a-potties are available in the parking lot. These units and the playground are open to use at your own risk. The complex is treated for mosquitoes, but individual mosquito and tick repellent use is advised, especially for evening games. A Mobil fuel and convenience store is located just south of the field on 28 Bypass.

We have staggered games and tried to allow extra time in between. Teams warming up and awaiting their field to clear may use the opposite 7v7 or the space at the ends of the 9v9/11v11 as available. Spectators are asked to wait in their cars until the spectator area of the prior game clears before setting up to watch their game. At the conclusion of your child's game please clear the spectator areas quickly if there is another match waiting to start.

We hope you enjoy your visit to Auburn!
