

Conval Soccer Club

Field Usage Rules 8/21.2020

Masks or facial coverings are always required to be worn by all spectators unless medical conditions, intellectual and developmental disabilities, mental health conditions or other sensory sensitivities such as autism spectrum disorder -- wearing a mask could create distress.

Physical/social distancing is required. All spectators are asked to keep 6' between themselves and those not from their household. The fields have been laid out and games scheduled to provide maximum space to ensure all those who wish to get back to cheering on your favorite team will be able to attend the event

Spectators must remain in designated areas No spectator, at any time, is allowed on the field of play including the bench area

Players are required to wear masks when arriving, congregated around the bench area, and leaving the field of play. **Players are not required to wear masks while playing.**

Physical or verbal abuse of any kind will not be tolerated. This event is for the children of our soccer community. We will address any negativity towards a referee, player, coach or spectator with appropriate action

In this time of health and safety concerns, we all must work together to ensure we are providing a safe environment for **all** who love the game. All must recognize the risk involved and are responsible for making their own decisions to attend this event. The New Hampshire Soccer Association, the New Hampshire Soccer League and Conval Soccer Club will work to provide the safest environment we can and look forward to seeing all those comfortable with attending the event this weekend.

*Facility rules are subject to change without notice

Home Game Rules

GENERAL

- Teams are asked not to enter onto the fields until the previous team has completely vacated the space.
- Players and coaches are to wear masks while on the sidelines. Players are not required to wear a mask while playing, but can do so if they choose.
 - o Masks need to go back behind the ears and cannot be tied behind the back of the head, for safety reasons.
- Parents and spectators are to remain on the opposite side of the fields from the players and coaches at all times.
- When your team is waiting to play a match, teams will have ample space to remain distanced from other teams (see fields below)
- Upon completion of a match - there will be no post-game hand-shakes. Entrances and exits to field are below.
- It is recommended to bring both home and away kits, or pinnies if needed.
- There will be no team check-ins or roster checks.
- Hand sanitizer will be provided at a table / chair on the field. These are to stay at the fields.

FIELD NAVIGATION

- Please enter to the right of the shed and exit near the tennis courts

REFEREES

- All referees are required to check in with home team coach. Temperatures will be checked. The event reserves the right to ask all referees to sign a liability form, which will be good for the weekend.
 - o IF a referee officiates on Saturday and Sunday, they will need to have temps checked both days.
- Referees are to enter and exit fields thru the pathways of the players and coaches.
- Visiting teams will resort to change uniforms if both teams are the same color.
