

International Soccer Club Spring 2021- Covid Protocols

- o Temperature and health checks should be taken prior to arrival.
- o If you are not feeling well, please stay home.
- o Masks need to be worn entering and existing the fields.
- o Players - Masks can be removed for warm-ups and during game play only.
- o Coaches/players on the bench/sideline - masks should be worn.
- o Spectators must sit on the opposite side of the field as their teams. Each team will remain strictly in their own team's parent/spectator area.
- o Spectators must stay 6+ feet apart. Masks must be worn if social distancing is not possible.
- o Coaches/Managers need to supply their own hand sanitizer for their team.
