

MAXIMUM VELOCITY

Location Information:

Saint Thomas Aquinas HS (Turf)

197 Dover Point Road

Dover NH 03820

Parking is located in the back of the school and so is the Turf field.

Porta-Potties are located in the parking lot, and on the field.

Parents/Spectators information

- We ask that masks be worn once families/players/and coaches exit from their vehicles on their way to and from the field and during the time at the facility.
- There are no limits on spectators as there is plenty of space to properly social distance.
- The team's parent/spectator should maintain 6 feet of social distancing from other families

Location Information:

Oyster River High School (Turf)

55 Coe Drive

Durham NH 03824

Parking will be located at the 2nd Main parking lot, you will be able to see the turf field from the parking lot, **please do not park in the facilities parking lot** behind the turf field. The entrance to the Turf Field should be accessed by walking on the tar path while maintaining social distancing with other families. The entrance gate is just right of the high section of the fencing. Bathrooms are locked in the clubhouse but Porta Potties are available across the street from the parking lot that you will be parked in.

Parents/Spectators information

- We ask that mask be worn once families/players/and coaches exit from their vehicles on their way to the field and at the field
- All Parents and Spectators are asked to **keep out of the black fenced-in area**, of the turf field
- There are no limits on spectators as there is plenty of space to properly social distance.
- The team's parent/spectator should maintain 6 feet of social distancing from other families.
