

NHSL FALL 2023

CALENDAR/TASK LIST/IMPORTANT LINKS

Tips: Start early and create a detailed calendar of your town events, school events, festivals, SAT testing, Graduations, proms, coach conflicts, tournaments, and any other events that may cause conflicts with scheduling. This will assist with scheduling once scheduling starts – being proactive keeps things simpler for you and minimizes the need for game change requests. Make sure your club location manager is up to date.

NOTE: Team blackout dates will be done directly through GotSport for individual teams. If you have a date that a team is unavailable to play a match, teams can change dates in the location manager scheduling window before the schedule goes final, so communicate team specific requests you're your club's location managers as well.
