

# WORLD CUP

## GENERAL

- Practices, training sessions, competitions, games, tournaments and jamborees:
- When possible, depending on the activity, social distancing (6-feet) should apply; and
- New England athletes are permitted at NH sporting events.
- All staff, volunteers and athletes are required to report symptoms to coach and/or the organization.
- Staff, coaches, volunteers, and athletes who show symptoms are not allowed to participate in any activity per CDC guidelines.
- All staff, players, coaches, volunteers, spectators are required to wear ear loop style face masks at all times. Participants must wear facial coverings on the bench or sidelines at all times and in any huddles or time-outs from active play. Participants should take short mask breaks to catch their breath when they are out of proximity of other payers (at least 6') using caution to avoid touching the front or inside of the face covering by using the earlobes to remove and replace.
