Thank you for visiting Woodlock Park.

Masks are required by all spectators at all times unless you are medically exempt.

The Town of Atkinson has requested that all visiting teams will be screened and temperatures taken.

Upon your arrival, at the stop sign you will be directed to either continue straight or turn left. You will be instructed to proceed straight if you are attending a game for U12 and younger. You will be instructed to turn left if you are attending a game for U13 and older.

If you are waiting for a game to be played, we ask people to stay in their cars until the game before has been acceptably cleared.

There are bathrooms located behind the pavilion and a sanitizing station has been placed at all entrances to the bathrooms.

Teams, fans, players, etc. are asked to leave as quickly as possible at the conclusion of the game. If we encounter any players with COVID-19 infection, the Head Coach of this player will provide contact tracing information to participants, for TSC to provide to the Town of Atkinson.
